It was further resolved that the remuneration to the auditor shall be paid as per approved current account.

Resolution regarding principles for the appointment of the nomination committee

The Annual General Meeting resolved to adopt the proposed principles for appointment of the Nomination Committee.

Approval of the Board of Directors' remuneration report

The Annual General meeting approved the Board of Directors' remuneration report.

Resolution on guidelines for remuneration to members of management

The Annual General Meeting resolved to adopt the proposed guidelines for executive remuneration,

Resolution on the amendment of the articles of association

The Annual General Meeting resolved, in accordance with the Board of Directors' proposal, to adopt the proposed amendments of the articles of association, whereby a new section is inserted in the articles of association allowing the Board of Directors to collect powers of attorney in accordance with the procedure described in Chapter 7, section 4 of the Companies Act and allowing the Board of Directors to decide that shareholders shall have the right to provide their votes before a shareholders' meeting.

Resolution to adopt a long-term incentive program based on performance-based share rights for employees at Hansa Biopharma

The Annual General Meeting resolved, in accordance with the Board of Directors' proposal, to adopt a long-term incentive program based on performance-based share rights for employees of the Hansa Biopharma group ("Share Rights Program 2021"), whereby not more than 45 individuals within the Hansa Biopharma group may participate. The participants will receive performance based share rights which, subject to certain conditions being met, give the right to receive ordinary shares in the Company. A maximum of 624,615 share rights may be allotted to participants under the program. The Annual General Meeting further resolved, in accordance with the Board of Directors' proposal, to adopt certain hedging arrangements to ensure delivery of shares based on share rights to participants at the end of the Share Rights Program 2021, as well as to cover any social charges arising as a result of the program. The hedging arrangements include that existing hedging shares (i.e. class C shares that the Company has acquired based on authorizations from previous Annual General Meetings to repurchase class C shares) may, following the reclassification into ordinary shares, be transferred free of charge to participants of the Share Rights Program 2021 and the share rights programs adopted at the Annual General Meetings 2018, 2019 and 2020 in order to secure possible social contributions.

Resolution to adopt a long-term incentive program based on employee stock options for employees in Hansa Biopharma

The Annual General Meeting resolved, in accordance with the Board of Directors' proposal, to adopt a long-term incentive program for employees in Hansa Biopharma ("Option Program 2021"), whereby not more than 15 individuals within the Hansa Biopharma group may participate. The Option Program 2021 consists of employee stock options that have a vesting period of 3 years, after which the holder is entitled to exercise the options for ordinary shares during a period of 3 years. A maximum of 452,307 warrants may be allotted to participants under the program. The Annual General Meeting further resolved, in accordance with the Board of Directors' proposal, to authorize the Board of Directors to issue class C shares and to repurchase class C shares and that class C shares that the Company has acquired based on the authorization to repurchase class C shares may, following the reclassification into ordinary shares, be transferred free of charge to participants of the Option Program 2021 and/or the option program adopted at the Annual General Meeting 2020 and in order to secure possible social contributions.

Resolution to amend the terms of the long-term incentive program based on employee stock options adopted in 2019 and 2020

The Annual General Meeting resolved, in accordance with the Board of Directors' proposal to amend the terms of the long-term incentive program based on employee stock options adopted in 2019 and 2020 entailing an exercise period of three years (instead of one year) as well as settlement of the Option Programs 2019 and 2020 by using a net share-settlement method.

Resolution to authorize the board to resolve on issue of ordinary shares and warrants and/or convertibles

The Annual General Meeting further resolved, in accordance with the Board of Directors' proposal, to authorize the board, for the period up to the next Annual General Meeting, to adopt decisions, whether on one or several occasions and whether with or without pre-emptive rights for the shareholders, to issue new ordinary shares, and warrants and/or convertibles. The number of shares issued, or number of shares created in connection with conversion of warrants and/or convertibles may not correspond to a dilution of more than twenty per cent of the total number of shares outstanding after full exercise of the hereby proposed authorization. It should also be possible to make such an issue resolution stipulating payment in cash, in kind, the right to offset debt or other conditions. In this situation, it is important for the Company's ability to build and maximize shareholder value to have, and it is the purpose of the proposed authorization to provide, sufficient financial flexibility and a broad acting scope to the Board of Directors, in particular to match significant commercial and pipeline growth acceleration opportunities with the available financing mandate, provide flexibility to quickly respond to strategic opportunities such as partnerships or collaborations or to expand the shareholder constituency in certain investor markets or in connection with the listing of the shares on a U.S. stock exchange.

More information about the resolutions is available in the notice and the complete proposals which are available on the company's website, www.hansabiopharma.com.
